

**Are you interested in being a driving force in a logistics company that is active across Europe?**

**Come and join us!**

TRANSWAGGON, the most flexible logistics partner in rail freight transport in Europe, has been developing innovative, climate-neutral and reliable custom-made transport solutions for its clients since 1965. TRANSWAGGON now makes available 13,500 modern wagons of all types – each of which meets the requirements of all the national and international rail transport companies for moving dry goods. TRANSWAGGON not only has its headquarters in Zug (Switzerland), but also has branches in Hamburg (Germany), Helsingborg (Sweden), Istanbul (Turkey), Milan (Italy) and Paris (France).

To strengthen our team in the beautiful city of **Milan**, we are now looking for a
